FURNITURE FOR THE CURIOUS

BENUNA™

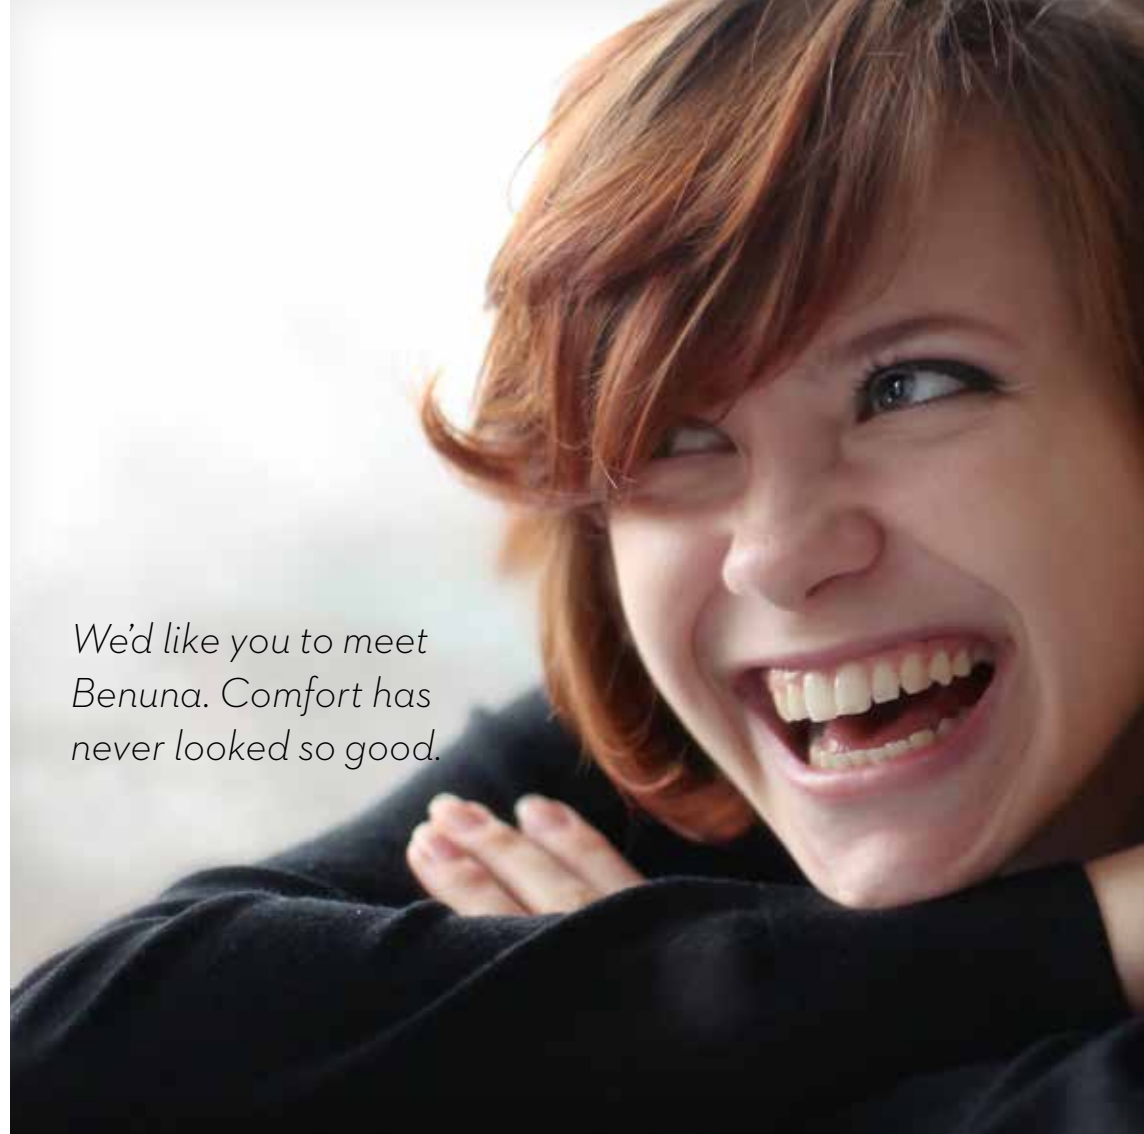

Fun and function make a perfect match. The curved mesh back, lumbar support, and adjustable height and arm width provide a practical solution for the office, with an impressive seat mechanism that automatically adjusts to your weight. Meanwhile, a range of vivid colour options lets Benuna show off its playful side.

furniture for the curious

Curiosity finds new ways. It strives for novel ideas and seeks out better solutions. For the curious, the answers are out there, waiting to be found. At ThinkingWorks, this open-minded curiosity is what underpins our approach to furniture. Because life's more fun when you're curious.
